

WELCOME!

I invite you to listen to the best program available today for Arizona homeowners who are faced with an oppressive mortgage payment. Find out what your options are, learn the right questions to ask your lender, your accountant and your attorney. Get all the answers before you take the next step.

Here's how to log in:

go to <http://www.shortsalerulebook.com>

IMPORTANT! CLICK "SIGN IN" ON THE BLUE BAR AT THE TOP

Enter your email address

Enter the password you will receive from me shortly.

You should see "Welcome (name)" on the Blue Bar

To get started click the RULEBOOK tab, and start with the Introduction segment.

Don't feel pressured to complete the entire program at once. In all it takes about 35 minutes uninterrupted. But life happens, so feel free to just log back in at your leisure and when you can completely focus on the program. Hint: You must view the segments in order before advancing.

I am excited to have you view this important information. I'm sure it will provide answers to many of the questions you have. It is presented in a thought provoking way so, indeed, it may cause you to ask some questions. That's what it is designed to do! At the conclusion you will be an informed consumer and will know what questions you need the answers to before you can move forward.

Afterward, if you decide you want to put your house up for sale, I would be pleased to have that discussion with you and let you know how we can help you.

Now sit back and enjoy the videos!
